THE HONDO ANVIL HERALD.

Published Weekly—Every Saturday Morning.

OFFICE: ANVIL HERALD BUILDING, HALF A BLOCK SOUTH OF DEPOT.
for the Commercial, Agricultural and Industrial development of Medina County and Hondo. An Independent local newspaper.
SUBSCRIPTION: \$1.00 A YEAR. ADVERTISING RATES REASONABLE.

Entered at the Postoffice at Hondo, Texas, as second-class mail matter.

SATURDAY, OCTOBER 21, 1911.

CHANGED.

FROM the outskirts of the town.
Where of old the milestone stood.
Now a stranger, looking down,
I behold the shadowy crown
Of the dark and haunted wood.

IS it changed, or am I changed?
Oh, the oaks are fresh and green.
But the friends with whom I ranged
Through their thickets are estranged
By the years that intervene.

BRIGHT as ever flows the sea,
Bright as ever shines the sun;
But, alas, they seem to me
Not the sun that used to be,
Not the tides that used to run!

—Longfellow.

No one ever pulled himself very high up by trying to pull others down!

SOME people have scraps thrust upon them and some folks thrust themselves into scraps!

SOME people howl because they are hit and some times people howl when they say they are not hit!

WE will say to our friend of the West Texas News that the Anvil Herald only knocks the knocker.

MEDINA County is awakening to the importance of good roads in a way that augurs well for the county's future.

A DIRECT open road to the damsite from Hondo is one of the improvements that will be begun soon—but not too soon!

If you are a poor boy but ambitious for a university education write to John A. Lomax, Secretary of the University, Austin, Texas, and ask him for a copy of the free bulletin telling how other students have worked their way through the University. It will be a revelation and an inspiration to you.

THE names of Terry & Webb now appear at the head of the Jourdan Monitor as editors and proprietors. R. R. Smith, the former editor, we are sorry to say, has fallen deeper into the evil ways of the politician and is in the race for United States Senator. If we were not of a forgiving nature we would be supporting him! But, at present, we shall content ourselves with wishing the new management of the Monitor success.

It was given out some time ago that the Commissioners Court of Medina County had declined to co-operate with the Commissioners of Bexar County in the building of a first-class highway between San Antonio and the damsite. The Hondo Anvil Herald says no such proposition has been put up to the Medina Commissioners Court and, therefore, no formal action has been taken. But it says when it is formally presented, that body can be depended upon to act intelligently and for the best interest of all concerned. Which, probably, may be taken to mean that the Medina people will do their part in building the road on the Medina side of the river. Let us hope so, at any rate.—San Antonio Express. It may be taken to mean just what it says; no more and no less. It is as unfair to our Court to say that it will do a thing it has not considered as it is untruthful to say it has done what it has not done. Let us hope the people of Bexar County will not protest too much.

THE editor of this paper owns no interest in any other paper and no one else owns any interest in this paper. So if you want to swat this writer just keep on swatting the paper; if you want to help him keep on helping the paper. The Anvil Herald will not be guilty of double-dealing to secure any man's patronage. It will be honest with its friends and hopes its friends will be true to it.—Anvil Herald. Hurrah for Davis! That is exactly the Guide's position. We have fought our way to the top without a cent of graft or blood-money or any help from "the gang". No man, or set of men, can dictate a policy for this paper.—Alpine Guide.

If John Garner should run for Senator Bailey's position, Garner's opponents wouldn't need any adding machines to count their votes in this district.—Jourdan Monitor.

Try this paper one year for one dollar.

JUDGE Garner has announced that he will not be a candidate for the United States Senate to succeed Joe Bailey. While we believe that Mr. Garner could be elected, at the same time it seems that the campaign is bound to be fought out on the issue of prohibition despite questions of national importance and perhaps it is just as well for one who has aspirations beyond the present campaign to refrain from mixing his political fortunes in the melee. Judge Garner will be heard from when the present campaign has passed into history.

IN spite of any differences that might have occurred in the past between this writer and the editor of the Hondo Anvil Herald, we must say that his style of independent, fearless journalism appeals to us as the genuine brand. Davis has ideas of his own and those who disagree with him can neither buy or bluff him off. He treats everybody alike and conducts one of the newest papers in Texas, but the editorial page is his for his own personal ideas. That is right.—Del Rio Herald. We appreciate the foregoing sentiments not alone for their kindness but for the courageous manhood that prompts their expression. As for past differences, Editor Callan can rest assured that with this writer by-gones are always by-gones. There is too much real work awaiting to be done in this world for men who would be manly to sit down and nurse a grudge over what has passed.

OUT of his observation and experience, the editor of the Lytle Herald thus speaks: MR. Davis of the Hondo Anvil Herald, in speaking of his business during their Carnival, that he was almost "swamped." It is like this sometimes with The Herald man, when our printer skips leaving us the type to set, ads to arrange, editorials to write, news to gather, the proof to read, job work to set and run off, the paper to print, and with all receive such small pay as to necessitate doing other work in connection. Often we hardly have time to correct the proof, and you receive a very sorry paper. We are ready to apologize for the glaring mistakes in composition, but not for the principles set forth in the editorials. We stand for what we believe to be the greatest good to the greatest number. But with all our manifold imperfections our business, along with other Lytle businesses is growing steadily, and we must increase the home print in order to care for increased business. The Herald will try to keep up with the town.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Sold by all Druggists, 75c. Toledo, O. Take Hall's Family Pills for constipation.

To make the office seek you is admittedly a good plan, but the other scheme seems to bring down more permissoms.

Children that are pale, sickly and peevish, with dark rings under the eyes, fickle appetite, and who appear to get no nourishment from the food they eat are surely suffering from worms. Give them WHITE'S CREAM VERMIFUGE and note the wonderful improvement. They soon take on flesh and are rosy, active and cheerful. Price 25c per bottle. Sold by W. H. Windrow.

Confidence

We Back up Our Statements with Our Personal Reputation and Money

We are so positive that we can relieve constipation, no matter how chronic it may be, that we offer to furnish the medicine free of all cost if we fail.

We think that it is worse than useless to attempt to cure constipation with cathartic drugs. Cathartics may do much harm. They may cause a reaction, irritate and weaken the bowels, and make constipation more chronic.

Constipation is often accompanied and may be caused by weakness of the nerves and muscles of the large intestine or colon. To expect a cure you must therefore tone up and strengthen those parts and restore them to healthier activity.

The discovery of the active principle of our remedy involved the labor of skillful research chemists. This remedy produces results such as are expected from the best of the best-known intestinal tonics, and it is particularly prompt in its results.

We want you to try Rexall Orderlies on our guarantee. They are exceedingly pleasant to take and are ideal for children. They apparently act directly on the nerves and muscles of the bowels, having, it would seem, a neutral action on other organs or glands. They do not purge or cause inconvenience. If they do not positively cure chronic or habitual constipation and thus relieve the myriads of associate or dependent chronic ailments, your money will be refunded. Try Rexall Orderlies at our risk. Three sizes of packages, 10c, 25c, and 50c. Remember, you can obtain Rexall Remedies in this community only at our store—The Rexall Store. Willmann & Martin.

A man should expect to support his family, and count himself lucky if he doesn't also have a lot of company to feed.

A Household Medicine that gives Confidence

Is Foley's Honey and Tar Compound. Mrs. T. J. Adams, 522 No. Kansas Ave., Columbus, Kas., writes: "For a number of years my children have been subject to coughs and colds. I got some of Foley's Honey and Tar Compound and have found that it cured their coughs and colds in a very short time, so I keep it in the house all the time." Willman & Martin.

One could not, however, draw as large a crowd with an old oaken bucket as with a keg built of thicker timber.

Joints that ache, muscles that are drawn or contracted should be treated with BALLARD'S SNOW LINIMENT. It penetrates to the spot where it is needed and relieves suffering. Price 25c, 50c and \$1.00 per bottle. Sold by W. H. Windrow.

Bad Spells
"I suffered, during girlhood, from womanly weakness," writes Mrs. Mollie Navy, of Walnut, N. C. "At last, I was almost bed-ridden, and had to give up. We had three doctors. All the time, I was getting worse. I had bad spells, that lasted from 7 to 28 days. In one week, after I gave Cardui a trial, I could eat, sleep, and joke, as well as anybody. In 8 weeks, I was well. I had been an invalid for 5 weary years! Cardui relieved me, when everything else failed."

TAKE The CARDUI Woman's Tonic

If you are weak and ailing, think what it would mean, to you, to recover as quickly as Mrs. Navy did. For more than 50 years, this purely vegetable, tonic remedy, for women, has been used by thousands of weak and ailing sufferers. They found it of real value in relieving their aches and pains. Why suffer longer? A remedy that has relieved and helped so many, is ready, at the nearest drug store, for you, at once, by you. Try it, today.

Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitute—there is nothing "just as good." Ask your neighbors.

Is the World Growing Better?

Many things go to prove that it is. The way thousands are trying to help others is proof. Among them is Mrs. W. W. Gould, of Pittsfield, N. H. Finding good health by taking Electric Bitters, she now advises other sufferers, everywhere, to take them. "For years I suffered with stomach and kidney trouble," she writes. "Every medicine I used failed till I took Electric Bitters. But this great remedy helped me wonderfully." They'll help any woman. They're the best tonic and finest liver and kidney remedy that's made. Try them. You'll see. 50c at W. H. Windrow's.

FACTS ABOUT THE SHAMROCK

Is an Entirely Different Plant in Various Sections of the Emerald Isle.

A rose by any other name would be as sweet, and the fact that the shamrock of old Ireland is an entirely different plant in various sections of the Emerald Isle in no wise affects the romance that attaches to the name. The plant generally exported from Ireland under that name is one of the hop clovers, *Trifolium minus*. It is a mistake to think that this plant will grow only in Ireland. It will grow and thrive in any temperate climate when properly cultivated. In fact, there is no plant known as shamrock which is peculiar to Ireland. White clover, for instance, known in various sections of Ireland as shamrock, grows in the United States in great abundance. Black medick and wood sorrel are designated as shamrock in certain localities. The wood sorrel may, in fact, be the shamrock of song and story. Ordinary red clover is sometimes called shamrock in the United States.

But, after all, a pretty sentiment should not be interfered with by botanical experts—what matters their Latin names, so long as the three-leaved bit of green grew near the cottage of the fathers in the old country?

More Than Enough is Too Much.

To maintain health, a mature man or woman needs just enough food to repair the waste and supply energy and body heat. The habitual consumption of more food than is necessary for these purposes is the prime cause of stomach troubles, rheumatism and disorders of the kidneys. If troubled with indigestion, revise your diet, let reason and not appetite control and take a few doses of Chamberlain's Stomach and Liver Tablets and you will soon be all right again. For sale by all dealers.

The Strenuous Modern Sunday.

Sunday has ceased to be a day of rest. To many people it is the most strenuous day of the week. Skating, bridge, golf, social engagements claim the attention. People may be induced to go to a concert, a lecture, or a Sunday play, but a sermon is "the limit."—Gentlewoman.

Gives Aid To Strikers.

Sometimes liver, kidneys and bowels seem to go on a strike and refuse to work right. Then you need those pleasant little strike-breakers—Dr. King's New Life Pills—to give them natural aid and gently compel proper action. Excellent health soon follows. Try them. 25c at W. H. Windrow's.

Good Reasoning.

"Now, children," said the stimulating teacher of the brilliant juvenile class, "why did God create this beautiful world?" "I guess because he didn't know of anyone who could do it as well," was the matter-of-fact response of diminutive John.

Itching Piles.

I want you to know how much good your Hunt's Cure has done for me. I had suffered with Itching Piles for 15 years and when I was traveling through Texas a man told me of your Hunt's Cure. I got one 50c box and it cured me. JOHN BRADLEY, Caney, Kansas.

When a man can see both sides of a question, he isn't much interested in it.

Biliousness is due to a disordered condition of the stomach. Chamberlain's Tablets are essentially a stomach medicine, intended especially to act on that organ; to cleanse it, strengthen it, tone and invigorate it, to regulate the liver and to banish biliousness positively and effectually. For sale by all dealers.

A fool never worries, and yet they say a man who worries is a fool.

Lame back is one of the most common forms of muscular rheumatism. A few applications of Chamberlain's Liniment will give relief. For sale by all dealers.

HER WEIGHT INCREASED FROM 100 TO 140 POUNDS.

Wonderful Praise Accorded Peruna the Household Remedy

Mrs. Maria Goertz, Orienta, Oklahoma, writes:

"My husband, children and myself have used your medicines, and we always keep them in the house in case of necessity. I was restored to health by this medicine, and Dr. Hartman's invaluable advice and books. People ask about me from different places, and are surprised that I can do all of my housework alone, and that I was cured by the doctor of chronic catarrh. My husband was cured of asthma, my daughter of catarrh and catarrh of the stomach, and my son of catarrh of the throat. When I was sick I weighed 100 pounds; now I weigh 140.

"I have regained my health again, and I cannot thank you enough for your advice. May God give you a long life and bless your work."

WOMEN

Women of the highest type, women of superior education and refinement, whose discernment and judgment give weight and force to their opinions, highly praise the wonderful corrective and curative properties of Chamberlain's Stomach and Liver Tablets. Throughout the many stages of woman's life, from girlhood, through the ordeals of motherhood to the declining years, there is no safer or more reliable medicine. Chamberlain's Tablets are sold everywhere at 25c a box.

A Morning Reminder.

You awake with a mean, nasty taste in the mouth, which reminds you that your stomach is in a bad condition. It should also remind you that there is nothing so good for a disordered stomach as Chamberlain's Stomach and Liver Tablets.

They build up the system, assist nature to restore natural conditions, and are so gentle in their action that one hardly realizes a medicine was taken. Chamberlain's Tablets are sold everywhere. Price 25c.

PROMPT FREE DELIVERY TO ANY PART OF THE CITY

QUESTION of the hour—planting oats?

JUDGING from the school report printed elsewhere in this issue the work of the Hondo High School must be progressing favorably. Hondo has a school in which every citizen can well take a just pride.

Now that it has rained the planting of oats is the order of the day on the farms. The farmer that can get a good oat crop started now will be fixed for winter grazing as well as for an early feed crop next spring. Don't delay; plant oats now.

ELSEWHERE in this issue will be found a synopsis of the Texas game law. This is clipped from the press despatches and we do not guarantee its absolute accuracy, but we believe it is a sufficient guide to keep one out of trouble with the game warden if strictly followed.

OUR good friends who edit the Jourdan Monitor should be a little more strict with their blue pencil when editing the contributions of irresponsible parties with an itching for printorial notoriety lest they do a wanton and unintentional injury to a neighboring town. We believe we know one town of fifteen hundred—or more—population and four saloons where the moral atmosphere will compare favorably with that of any other similar village any where, ministerial knockers to the contrary notwithstanding. It is passing strange why a man who can say that "one cannot be benefitted without all being helped, neither can one be injured or wronged without ALL feeling the influence of depression" could not close the same article without indulging in a wanton and uncalled for knock on a town where he should surely have some friends.

Died.

Mrs. Sarah Wilson, nee Franks, relict of the late Geo. I. Wilson, died at her home in this city at 10 o'clock p. m., Tuesday, October 17, 1911. The remains were interred in the old cemetery the following day by the side of those of her late husband. Rev. J. T. Horger performed the burial service.

Mrs. Wilson was born in Louisiana, January 28, 1844, and was, therefore, 67 years, 7 months and 19 days old at the time of her demise. She came to Texas in early childhood, and in 1867 was married to Geo. I. Wilson. Three sons were born of this union. Two of these are dead and the only survivor is our fellow townsman, Isaac Wilson. Her husband died April 6, 1910. They had lived in Medina County since 1876 and are sadly missed by their many friends and neighbors. Three brothers and two sisters residing elsewhere survive her.

The deceased joined the Missionary Baptist church in early life and remained a consistent and consecrated member the rest of her life. She has been in feeble health for a long time but was only taken seriously ill on Friday night of last week. Throughout her illness her faith remained steadfast and she died sustained and soothed by the Christian's bright hope of a reunion where partings will be no more.

The Anvil Herald joins the many friends of the family in extending to them our sincerest sympathy in their sorrow.

Commissioners Court.

Commissioners Court last Monday and Tuesday viewed certain proposed roads in the neighborhood of the Medina dam, to take the place of the Medina river canon road which will be flooded and rendered useless, and after hearing D. H. Fly for the Irrigation Co., and reading petitions of citizens interested ordered that the most eastern proposed road from Gallagher Ranch road across Pecan creek, in a southeasterly direction, to intersect the Castrovilla and River canon road near Mr. J. L. Rader's house be made by the Irrigation Co. and established as a road to take the place of the one rendered useless. Alois Haby was allowed \$500 damages occasioned by the opening of the road. It was also ordered that the Irrigation Co. may intersect this road with a third class road from the upper dam east at any point it may determine and open the same for travel.

While driving home in a buggy after dark Saturday night and while his eyes were still blinded from the lights of the town, Mr. E. P. Hearne collided with another buggy being driven by O. H. Miller while turning the corner at the Auditorium. Mr. Miller's buggy was badly demolished in the collision and by the kicking of Mr. Hearne's horse and Mr. Hearne sustained a fractured rib on his right side. Miss Johanna Rothe, who occupied the Miller vehicle with him, was thrown out and sustained slight bruises. Fortunately Miller's horse did not attempt to run or kick or some one might have been seriously injured. Mr. Hearne is reported suffering considerable pain from his broken rib, but is doing as well as can be expected.

Averts Awful Tragedy.

Timely advice given Mrs. C. Willoughby, of Marengo, Wis., (R. No. 1) prevented a dreadful tragedy and saved two lives. Doctors had said her frightful cough was a "consumption" cough and could do little to help her. After many remedies failed, her aunt urged her to take Dr. King's New Discovery. "I have been using it for some time," she wrote "and the awful cough has almost gone. It also saved my little boy when taken with a severe bronchial trouble." This matchless medicine has no equal for throat and lung troubles. Price 50c and \$1.00. Trial bottle free. Guaranteed by W. H. Windrow.

Hon. Ark. J. E. Freemann says: "I had a severe case of kidney trouble and could not work and my case seemed hopeless. I have also recommended it to my friends who all received the same good results." Willman & Martin.

A Liberal Offer

We Guarantee to Relieve Dyspepsia. If We Fail the Medicine Costs Nothing.

To unquestionably prove to the people that indigestion and dyspepsia can be permanently relieved and that Rexall Dyspepsia Tablets will bring about this result, we will furnish the medicine absolutely free if it fails to give satisfaction to any one using it.

The remarkable success of Rexall Dyspepsia Tablets is due to the high degree of scientific skill used in devising their formula as well as to the care exercised in their manufacture, whereby the well-known properties of Bismuth-Subnitrate and Pepsin have been combined with Carminatives and other agents.

Bismuth-Subnitrate and Pepsin are constantly employed and recognized by the entire medical profession as invaluable in the treatment of indigestion and dyspepsia.

The Pepsin used in Rexall Dyspepsia Tablets is carefully prepared so as to develop its greatest efficiency. Pepsin supplies to the digestive apparatus one of the most important elements of the digestive fluid. Without it the digestion and assimilation of food are impossible.

The Carminatives possess properties which aid in relieving the disturbances and pain caused by undigested food. This combination of these ingredients makes a remedy invaluable for the complete relief of indigestion and dyspepsia.

We are so certain of this that we urge you to try Rexall Dyspepsia Tablets on our own personal guarantee. Three sizes, 25 cents, 50 cents, and \$1. Remember, you can obtain Rexall Remedies only at our store—The Rexall Store Willmann & Martin.

Deed from

J. M. Carnes, as Attorney in fact for D. F. Webb, to T. J. Game Law Explained.
 Austin, Tex., Oct. 3.—Chief game warden Cox, in answer to numerous inquiries concerning the game laws and how to obtain hunting licenses for the coming season, has prepared a statement giving the points of the law and other rules to be observed by hunters during the open season. The statement is as follows:

"To hunt in any county in the state other than the county of one's residence, it is necessary to procure a non-resident county hunting license. This license costs \$1.75 and can be procured from the county clerk of the county in which the person resides.

"A non-resident of the state must procure a non-resident state hunting license. This costs \$15, and can be procured from the state game, fish and oyster commissioner at Austin or from any deputy game warden in the state.

"The open season for hunting deer begins Nov. 1 and ends Dec. 31. Only buck deer, or deer with horns, may be taken; provided that any one person shall not kill more than three buck deer during the open season. It is unlawful to kill a doe or spotted fawn. Hunting with lamp or lantern is prohibited.

"The open season for wild turkey begins Dec. 1 and ends March 31. The limit is three turkeys during the open season for any one person.

"The open season for shooting quail and doves begins Nov. 1 and ends Jan. 31. It is lawful for any one person to kill as many as twenty-five of these birds in any one day during the open season, but no more.

"There is no closed season, for wild geese, ducks, plover, snipe, Jacksnipe, curlews, robins or chachals; however, it is unlawful for any person to kill more than twenty-five of the above mentioned wild fowls or birds in any one day of twenty-four hours.

"It is unlawful to kill any wild Mongolian or English pheasant, wild prairie chickens (pinnated grouse), wild antelopes or Rocky Mountain sheep at any time for five years. (June 11, 1911, to June 11, 1916).

"It is unlawful to take any wild bird or wild fowl by netting or trapping at any time.

"It is unlawful to kill wild geese or wild ducks by any means otherwise than by an ordinary gun capable of being held to and shot from the shoulder.

"It is unlawful to sell or offer for sale or have in possession for the purpose of sale, or have in possession after purchase any game or game birds mentioned in this article.

"It is unlawful to kill or in any manner injure any mocking bird, whippoorwill (bull bat), night hawk, bluebird, redbird, finch, thrush, linnnet, wren, martin, swallow, bobolink, catbird, nonpareil, scissortail, seagull, tern, shearwater, egret, heron or pelican.

"A person may ship to his home as many as one day's bag limit of his game; except of wild ducks, of which he may ship as many as three days' limit, or 75 ducks; provided he accompany the shipment on the same train or common carrier. To make such shipment the shipper shall make the prescribed affidavit, setting out that he killed the game within the law, the place of his residence, etc.

"It is not unlawful to kill English or European house sparrows, hawks (except night hawks), crows, buzzards, blackbirds, ricebirds and owls.

"It is unlawful for any one person to kill more than ten squirrels in any one day, or sell more than five squirrels in any one week; this however, does not apply to any county situated in the second, fifth, ninth, tenth, twelfth, fourteenth, seventeenth, eighteenth, twenty-fourth and thirty-first senatorial districts under the apportionment of 1901. It is unlawful to sell or ship squirrels in Montgomery County; and it is unlawful to ship squirrels in Liberty County.

"There is a heavy penalty for any one hunting without a license as prescribed. A land owner, peace officer or game warden has the right to demand to be shown one's license when found hunting."

A Hopeful Message to Scalp Sufferers and Men Whose Hair is Thinning
 Dandruff now—bald later. The same is true of scalp diseases. In fact, baldness is a scalp disease. The trouble with the greasy salves and lotions, the so-called dandruff and scalp cures you have tried so far is that they don't do any thing but temporarily relieve the itching and make the dandruff so it does not fall until it's dried out again. Nothing can cure—really cure such troubles but a real scalp medicine that will kill the germs causing dandruff and scalp disease.

Learning from leading fellow druggists throughout America that they had found a whirlwind cure for dandruff, eczema and all diseases of the skin and scalp, the Windrow drug store, on proving to the laboratories compounding the treatment that it is the most prominent drug store in this city, secured the agency for the remedy. This remedy is ZEMO, the clean, liquid preparation that kills the germ of disease and ZEMO SOAP to wash the scalp or skin clear and clean of the dandruff or scale and by its antiseptic qualities soothe and heal.

Sold and guaranteed by druggists everywhere and in Hondo by W. H. Windrow.

Lucky Thirteen

The handsome residence of Oliver Gildersleeve on Main street, Portland, Conn., was painted in 1888 with Devoe and again in 1901.

There's 13 years; there are hundreds of such; the difficulty is to hear of 'em. Reminds of another. The Farrington residence, Rockland, Maine, was painted Devoe 21 years ago; the paint was in fair condition 5 years ago; don't know any more. The Devoe agents there, Messrs. Farrand, Spear & Co., know. Enclose a stamp, if you write 'em.

Salivated By Dangerous Calomel

If You Ever Saw a Man Salivated, You Don't Want Any More Calomel Yourself.

There's no real reason why a person should take calomel anyway, when fifty cents will buy a large bottle of Dodson's Liver Tone—a perfect substitute for calomel. It is a pleasant tasting vegetable liquid which will start the liver just as surely as calomel, and which has absolutely no bad after-effects.

Children and grown people can take Dodson's Liver Tone without any restriction of habit or diet. W. H. Windrow's drug store sells it and guarantees it to take the place of calomel and will refund your money if it fails in your case.
